Anti Bullying Policy

Objectives

Journey Education Group Anti-Bullying Policy outlines what JEG aim to do to prevent and tackle bullying and discriminatory situations / incidents.

The policy has been drawn up through the involvement of the whole Journey community including student and parent voice.

Our Journey community:

- Discusses, monitors and reviews our anti-bullying policy on a regular basis.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that those pupils feel safe to learn; and that pupils abide by the anti-bullying policy.
- Ensures that all members of the community are treated with respect.
- Ensures that staff promote positive relationships and identify and tackle bullying appropriately.
- Reports back to parents/carers regarding their concerns on bullying and deal promptly with complaints. Parents/ carers in turn work with Journey to uphold the anti-bullying policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate.

Preventing, Identifying and Responding to Bullying

The Journey community will:

- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience.
- Staff will be trained in restorative justice and counselling skills to ensure they deal with incidents as effectively as possible.
- Consider all opportunities for addressing bullying including through the curriculum (i.e. annual Anti-Bullying Week in November each year) through our management of behaviour and restorative justice practices, through displays, through peer support and through the Journey Council.
- Train all staff including volunteer staff, learning mentors and administrative / site staff to identify bullying and follow Journey's policy and procedures on bullying.
- Train all staff and young people at each centre on E-safety
- Actively create "safe spaces" for vulnerable children and young people. Pupils will be supervised at all times
- Use restorative practice to resolve issues between bullies and the bullied.

Involvement of pupils

We will:

- Regularly canvas children and young people's views on the extent and nature of bullying
- Ensure students know how to express worries and anxieties about bullying.
- Ensure all students are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve students in anti-bullying campaigns in Journey (Anti-Bullying Week).

- Publicise the details of help lines and websites.
- Offer support to students who have been bullied and show pro-active support through behavioural log tracking and isolation of pupils displaying unacceptable behaviour with
- 1:1 counselling / restorative justice meetings to resolve issues.
- Work with students who have been bullying in order to address the problems they have.
- Use form tutor times to encourage self-review and peer discussion to resolve issues around bullying and anti-social behaviours.

Liaison with Parents and Carers

We will:

- Ensure that parents / carers know whom to contact if they are worried about bullying.
- Ensure parents know about our complaints procedure and how to use it effectively.
- Ensure parents / carers know where to access independent advice about bullying.
- Work with parents and the local community to address issues beyond the Journey that give rise to bullying.
